Hotel on Cat Ba Island

On Cat Ba Island we use the best 3-star hotel looking over Cat Ba Bay.

The junk

The beautiful Chinese junk functions as a hotel and we would share it with other travelers. We will get twin shared cabin with AC and restroom.

The next day when we go kayaking a smaller wooden boat will support us the whole day.

The kayak

On this trip we use mainly hard-cell, single kayak. However, due to the limit number of the single kayak, the double kayak can be used as alternative. Paddle, life-jacket and dry bag are available.

ATA tour guide

The tour will be led by one of our tour guides who are experienced in guiding kayaking tours in Halong Bay. He has been carefully trained in this field and is fully licensed in tour guiding by the government. In addition, he has been trained in first-aid by SOS International and he knows how to deal with difficult situations. You will have a great time traveling with him.
